LIFE OF PI

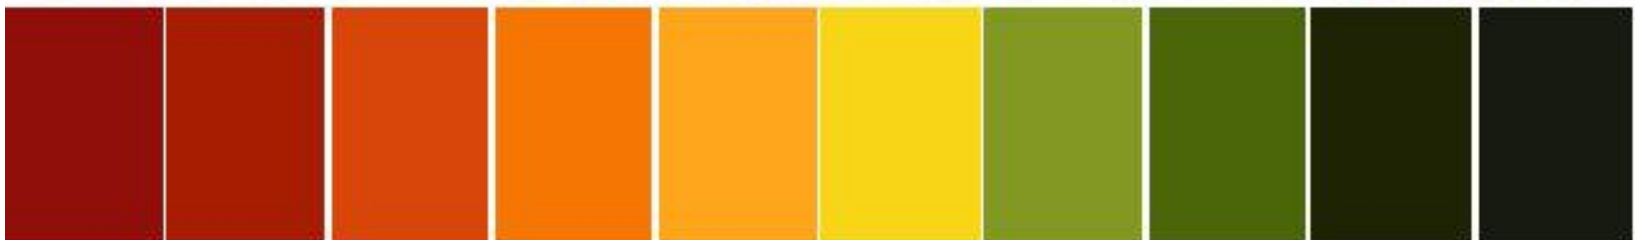

The image is a movie poster for 'Life of Pi'. The background is a warm, golden-yellow gradient. In the upper half, a large, close-up face of a tiger with striking yellow eyes and orange fur with black stripes dominates the frame. In the lower half, a small man in white clothing stands on a simple raft made of logs and debris. To his right, a tiger sits inside a small wooden boat. In the bottom left corner, a small, partially submerged metal can floats in the water. The overall mood is serene yet mysterious.
